INTELLIGENCE MEMORANDUM

Situation in the Dominican Republic
(As of 2000 EDT)

1. As of 1930 EDT the ambassador has not returned to the embassy. It is assumed that he and the Papal Nuncio are still at San Isidro. The status of the cease-fire is not known.

2. In a meeting this morning with US Embassy and military personnel, military junta member, Colonel Benoit, gave the impression that he was doing nothing about the Papal Nuncio's message concerning a cease-fire. In a private conversation with US DCM, Benoit also indicated that Belisario Peguero would not be given any position of responsibility once clean-up operations were completed.
